

# The Kanbar Core Facility Unit, Bar Ilan University

## Requesting Process

(For new customers from industry, government bodies, academia, hospitals)

Referral to the relevant scientific unit

- Contact the The Kanbar Core Facility Unit
- The Kanbar Core Facility Unit consults their relevant service center and device operator
- The service center prices the project
- BIRAD issues a quote

Customer Adding process in BIRAD

BIRAD sends you an engagement package, which includes testing service agreement, price list, quotes, a detailed explanation of the registration process, and Payment methods

Receiving work approval

You send BIRAD:

- A signed agreement by an authorized signatory
- Contact details of the
  - service applicant (laboratory manager / technical person)
  - purchasing person of the company / academic institution.
- Job order PO based on the price quote

BIRAD gives permission to start the work

The service center executes the work

Reporting and collection

BIRAD

- receives a monthly report on your works carried out
- verifies the report with you
- sends you an invoice
